Dear Supervisors:

**APPROVAL OF A PARK MAINTENANCE SERVICES CONTRACT
WITH OAKRIDGE LANDSCAPE INC.
FOR ROWLAND HEIGHTS AREA PARKS
(SUPERVISORIAL DISTRICT 4) (3 VOTES)**

SUBJECT

Approval of the recommended actions will allow the Department of Parks and Recreation to award a Park Maintenance Services contract to Oakridge Landscape Inc., for Rowland Heights Area Parks.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the approval of the Park Maintenance Services Contract with Oakridge Landscape Inc. is categorically exempt from the California Environmental Quality Act because the Park Maintenance Services contract consists of maintenance of existing landscape for the reasons stated herein and the reasons reflected in the record of the Contract.
2. Approve and instruct the Chairman to sign a Park Maintenance Services contract with Oakridge Landscape Inc., for Rowland Heights Area Parks, for an annual base contract cost of \$341,293, for a term of five years with three one-year renewal options, for a maximum potential term of eight years, and an anticipated total maximum contract cost of \$2,730,344, effective December 1, 2013. This amount does not include the Cost of Living Adjustments, if any, to be exercised by the Director of the Department of Parks and Recreation.
3. Find that the recommended Park Maintenance Services contract can be more economically performed by an independent contractor than by County of Los Angeles employees for Rowland Heights Park, Pathfinder Park, Gloria Heer Park, Trailview Park, Bill Blevins Park, and Carolyn

Rosas Park, collectively known as the Rowland Heights Area Parks.

4. Authorize the Director of the Department of Parks and Recreation to exercise three one-year contract renewal options, if in the opinion of the Director, Oakridge Landscape Inc. has successfully performed the previous contract period and the services are still required and are cost effective. Such renewal may include a Cost of Living Adjustment, per option year, subject to approval by the Chief Executive Office.

5. Authorize the Director of the Department of Parks and Recreation to increase the Rowland Heights Area Parks Maintenance Services contract cost by 10 percent, as needed, during each contract year, totaling up to \$34,129, as a contingency amount, for unforeseen services/emergencies and/or additional work within the scope of the contract, which could increase the total annual contract amount to a maximum of \$375,422.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The recommended contract is for park maintenance services for Rowland Heights Park, Pathfinder Park, Gloria Heer Park, Trailview Park, Bill Blevins Park, and Carolyn Rosas Park, collectively known as the Rowland Heights Area Parks. In February 2002, your board approved a contract agreement with the private sector to provide park maintenance services for the Rowland Heights Area Parks. This is part of the continuing effort on behalf of the Department of Parks and Recreation (Department) to provide the best possible service to the public in a cost-effective manner.

The Department's cost analysis shows that services can be performed more economically by an independent contractor (Attachments I, II, III). The proposed contracted services will enable the Department to continue to provide park maintenance services at the present service level, which will ensure park patrons enjoyment of Rowland Heights Area Parks, upon expiration of the current term extension, resulting in continued savings to the County of Los Angeles (County).

Implementation of Strategic Plan Goals

The recommended contract will further the County's Strategic Plan Goals of Operational Effectiveness (Goal 1), by maximizing the effectiveness of park maintenance services, structure and operations to support timely delivery of customer-oriented and efficient public services, and; Fiscal Sustainability (Goal 2), by strengthening and enhancing the County's capacity to sustain essential County services through proactive and prudent fiscal policies and stewardship.

FISCAL IMPACT/FINANCING

In accordance with County policy, the contract contains a Cost of Living Adjustment (COLA) provision, based on an annual rate, as determined by the Chief Executive Office (CEO), whereby the Director of the Department (Director), at his sole discretion, may increase the Contractor's compensation during the option years. The COLA adjustment rate is capped at the lesser of the most recently published percentage change in the Bureau of Labor Statistics, Los Angeles-Riverside-Orange County, Consumer Price Index for Urban Consumers for the 12-month period preceding the contract anniversary date; or the general salary movement percentage for County employees for the 12-month period preceding the prior July 1st.

The decision to include the COLA is based on the Department's experience, that the Contractor may incur an increase in costs, such as insurance premiums, fuel, etc., during the option years, which

could impact their performance. As a result, this provision allows the Director to review cost information, during the option years, to determine if the COLA is justified, subject to approval by the CEO. The Department will comply with the newly adopted Board policy to exclude the cost of labor from the base upon which a COLA is calculated, unless the Contractor can show that their labor cost will actually increase.

The Proposition A cost analysis indicates that the recommended contract for park maintenance services can be performed more economically by the private sector (Attachments I, II, III). The total County cost to provide park maintenance services at Rowland Heights Area Parks by County staff would be \$531,564 annually. The recommended Contractor's direct cost to perform similar services is \$341,293 annually. This reflects an annual savings of \$190,271.

The following are the recommended potential maximum contract costs for:

- Initial Term of five years: \$1,706,465.
- Initial Term of five years plus the three option years: \$2,730,344.
- Initial Term of five years plus the three option years plus the annual 10 percent contingency: \$3,003,376.

The Department will not request that the Contractor perform services that will exceed the approved maximum contract amount, which may include the 10 percent contingency fee or COLA increase, without the prior approval of the Board.

OPERATING BUDGET IMPACT

Based on the recommended actions, the Department anticipates an increase in cost to its operating budget. The proposed contract amount is \$341,293 annually, which is an increase of \$101,653 from the current contract cost of \$239,640. Funding for the proposed contract has been included in the Department's Fiscal Year 2013-14 Operating Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Proposition A cost analysis indicates that the recommended contracted park maintenance services can be performed more economically by the private sector. (Attachments I, II and III).

The County's Proposition A and Living Wage Ordinance (LWO) provisions apply to this proposed contract, as County employees can perform these contracted services. The contract complies with all of the requirements of the County Code Section 2.201. The Contractor is a Small Business Enterprise (SBE) and therefore is not required to pay its fulltime employees the required \$11.84 per hour without health benefits or \$9.64 per hour with health benefits of \$2.20 per hour, as specified in the LWO amended by the Board on March 15, 2007. The Contractor has been informed that this contract will be monitored to ensure that SBE status is maintained throughout the term of this contract and if there is a change in the status, the Contractor confirms that they will comply with the County's LWO provisions and the Living Wage reporting requirements.

In compliance with the provisions of Los Angeles County Code Sections 2.121.250 through 2.121.420, the Department solicited proposals from private contractors for park maintenance services for Rowland Heights Area Parks.

The mandatory requirements for contracting as identified in Section 2.121.380 of the Los Angeles County Code have been met.

Proposition A contracts valued under \$1 million are no longer reviewed by the County's Auditor-Controller for cost-effectiveness, as stated in their memo of October 2, 2003. Therefore, the Proposition A cost analysis was performed internally using the guidelines and methodologies consistent with the Auditor-Controller procedures.

The award of this contract will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. This contract contains terms and conditions supporting your Board's ordinances, policies, and programs, including but not limited to: County's Greater Avenues for Independence (GAIN) and General Relief Opportunities for Work (GROW) Programs, Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code Chapter 2.202; Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; Defaulted Property Tax Reduction Program Ordinance, Los Angeles County Code, Chapter 2.206; and the standard Board-directed clauses that provide for contract termination or renegotiation.

The California State Department of Industrial Relations, Division of Labor Standards Enforcement, has returned its report indicating no negative information on the Contractor.

The County maintains databases that track/monitor Contractor's performance history. Information entered into such databases may be used for a variety of purposes, including determining whether the County will exercise a contract term extension option. No negative information was found for this Contractor.

The Contractor has executed the attached contract and will provide the required insurance policies prior to the start of this contract naming the County and the Department as additional insureds.

County Counsel has approved the contract as to form.

ENVIRONMENTAL DOCUMENTATION

The proposed approval of the Park Maintenance Services contract is categorically exempt from the California Environmental Quality Act (CEQA) according to Section 15301 (h) of the State CEQA Guidelines and Class 1(j) of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G, because the proposed contract consists of park maintenance services at existing facilities involving negligible or no expansion of use.

CONTRACTING PROCESS

On October 30, 2012, the Department commenced the solicitation for park maintenance services by posting a notice for Request For Proposals (RFP) on the County "Doing Business with Us" website and included a link to download the solicitation package and bilingual instructions on how to contact with the Department regarding this RFP. Attachment IV is a listing of contractors who are registered for park maintenance services on the Internal Services Department's Website and received notification of this project.

On November 21, 2012, nine companies attended the Mandatory Proposers Conference and Site Visit at Rowland Heights Area Parks. On December 13, 2012, the Department received five proposals. The proposals were reviewed to ensure compliance with mandatory minimum requirements outlined in the RFP. All five proposals, having met those requirements, were then evaluated by an Evaluation Committee.

The Evaluation Committee consisted of three Department employees. The Evaluation Committee reviewed each proposal for business experience and qualifications, staffing, compliance with the Living Wage Program requirements, quality control plan and the ability to accomplish the required park maintenance services. Based on the evaluation of the proposals, it is recommended that the contract for these services be awarded to the highest-rated, most responsive, and responsible proposer as recommended above.

The incumbent is TruGreen LandCare, LLC. It is recommended that the contract for these services be awarded to Oakridge Landscape Inc. Attachment V reflects the Contractor's minority participation. It should be noted that upon final analysis and award, the Contractor was selected without regard to gender, race, creed, or color.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract will not infringe on the role of the County in its relationship to its residents, and the County's ability to respond to emergencies will not be impaired. In addition, the County has determined that it has alternative resources available in the event of a default. This contract will not result in the displacement of any County personnel, as these services are currently being performed by the private sector. Therefore, there will be no negative impact to existing staff or service levels.

CONCLUSION

It is requested that two adopted copies of the action taken by your Board and two fully executed copies of the attached contract be forwarded to the Department of Parks and Recreation.

Should you have any questions please contact Jim Norwood at (626)821-4671 or jnorwood@parks.lacounty.gov; Kandy Hays at (626)821-4600 or khays@parks.lacounty.gov; Vanessa Paniagua at (213)738-2844 or vpaniagua@parks.lacounty.gov or Kaye Michelson at (213)738-2955 or kmichelson@parks.lacounty.gov.

{A} The contractor has indicated that they can perform the services with less full-time equivalent staff since they are performing similar services in the area. The number of County positions is based on the total number of hours divided by the annual County productive hours of 1,765.

{B} The County's and contractor's salary costs are based on full-time staff as well as a percentage of staff's time. In addition, the contractor's employees are paid more than \$5 less per hour than the County items. The contractor's salary costs are approximately 55% of the contract costs.

{C} Contractor will not be providing health benefits to those hourly employees providing services under this contract. Therefore, as required by the Living Wage Ordinance, contractor will pay its hourly employees providing services under this contract no less than \$11.84 per hour.

{D} As indicated on Attachment II, the total costs for services, supplies, and equipment are approximately 12.95% of the contract costs.

{E} Contractor's indirect costs (overhead) are approximately 11% of the contract costs and are associated with the cost of management, telephone, utilities, office equipment and bookkeeping. For this contract, County's indirect costs are unavoidable and are associated with contract administration and monitoring.

At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party,

when appearing in appropriate places on the Change Notices and Amendments prepared pursuant to **Section 8.0**, Change Notices and Amendments, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Change Notices and Amendments to this Contract, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of “original” versions of such documents.

9.20 FAIR LABOR STANDARDS

The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

9.21 GOVERNING LAW, JURISDICTION, AND VENUE

This Contract shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

9.22 INDEPENDENT CONTRACTOR STATUS

9.22.1 This Contract is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party shall not be, or be construed to

be, the employees or agents of the other party for any purpose whatsoever.

9.22.2 The Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

9.22.3 The Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. 9.24 GENERAL PROVISIONS FOR ALL INSURANCE COVERAGE

Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in

Paragraphs 9.24 and 9.25 of this Contract. These minimum insurance coverage terms, types and limits (the “Required Insurance”) also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

9.24.1 Evidence of Coverage and Notice to County

Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County Indemnities (defined below) have been given Insured status under the Contractor’s General Liability policy, shall be delivered to County at the address shown below and provided prior to commencing services under this Contract.

The Insured party named on the Certificate shall match the name of the Contractor identified as the contracting party in this Contract. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand (\$50,000.00) dollars, and list any County required endorsement forms.

- Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

Certificates and copies of any required endorsements shall be sent to:

County of Los Angeles
Contracts, Golf, and Special Districts Division
Attention: Jim Norwood
301 N. Baldwin Avenue, Arcadia, CA 91007-2697

Contractor also shall promptly notify County of any third party claim or suit filed against Contractor or any of its Sub-Contractors which arises from or relates to this Contract, and could result in the filing of a claim or lawsuit against Contractor and/or County.

9.24.2 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (County Indemnities) shall be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. County Indemnities additional insured status shall apply with respect to liability and defense of suits arising out of the Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the

County. The full policy limits and scope of protection also shall apply to the County Indemnities as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

The written notice shall be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

9.24.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

9.24.5 Insurer Financial Ratings

Coverage shall be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

9.24.6 Contractor's Insurance Shall Be Primary

9.24.7 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

9.24.8 Sub-Contractor Insurance Coverage Requirements

Contractor shall include all Sub-Contractors as insureds under Contractor's own policies, or shall provide County with each Sub-Contractor's separate evidence of insurance coverage. Contractor shall be responsible for verifying each Sub-Contractor complies with the Required Insurance provisions herein, and shall require that each Sub-Contractor name the County and Contractor as additional insureds on the Sub-Contractor's General Liability policy. Contractor shall obtain County's prior review and approval of any Sub-Contractor request for modification of the Required Insurance.

9.24.9 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy

deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

9.24.10 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Contract. Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.

9.24.11 Application of Excess Liability Coverage

Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

9.24.12 Separation of Insureds

All liability policies shall provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with no insured versus insured exclusions or limitations.

Within thirty (30) days after receipt of the interpretation, the Contractor may file a written request for a hearing before a Disputes Review Panel as provided hereinafter. The written request shall outline in detail the area of dispute.

9.33 PREVAILING WAGES

In accordance with the provisions of Article 2, Chapter 1, Part 7, Division 2 of the Labor Code, the State Department of Industrial Relations has ascertained the prevailing rate of per diem wages in the locality wherein the work is to be performed to be paid each craft or type of worker or mechanic needed to properly perform and complete the contemplated work. The Prevailing Wage for Landscape Laborers is set forth in **Exhibit C** of this Contract and the prevailing wage determination rates issued by the State Department of Industrial Relations for other craft or type of worker or mechanic that may be utilized to perform the specified work, is on file with the Los Angeles County Department of Parks and

For each person so employed or engaged whether by the Contractor or any subcontractor under him who is paid at a rate less than that specified for the particular work performed, the Contractor shall forfeit to the County as a penalty the sum of Twenty-Five Dollars (\$25) for each day or portion thereof for which said person was paid less than the specified prevailing wage. The provisions of Section 1775 of the Labor Code shall be complied with by the Contractor. Wages to be paid to apprentices employed or engaged in the contemplated work shall be determined in the manner provided by Section 1777.5 of the Labor Code.

9.34 PROHIBITION AGAINST INDUCEMENT OR PERSUASION

Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

9.35 PUBLIC RECORDS ACT

9.35.1 Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to **Paragraph 9.37**, Record Retention and Inspection/Audit Settlement, of this Contract; as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract, become the exclusive property of the County. All

such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked “trade secret”, “confidential”, or “proprietary.” The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

- 9.35.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked “trade secret,” “confidential,” or “proprietary,” the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney’s fees, in any action or liability arising under the Public Records Act.

9.36 PUBLICITY

- 9.36.1 The Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor’s need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Contract within the following conditions:
- a. The Contractor shall develop all publicity material in a professional manner; and
 - b. During the term of this Contract, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the Director. The County shall not unreasonably withhold written consent.

9.36.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with the County of Los Angeles, provided that the requirements of this **Paragraph 9.36** shall apply.

9.37 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, appropriate documentation for voided transactions (including approval for the void), and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

9.37.1 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of

such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

9.37.2 Failure on the part of the Contractor to comply with any of the provisions of this **Paragraph 9.37** shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.

9.37.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than the payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.

9.37.4 If the County notifies the Contractor that the Contractor did/does not, to the reasonable satisfaction of the County (1) adequately maintain the documents required under **Paragraph 9.37** of the contract, and/or (2) did/does not have adequate internal controls, such that financial records could contain errors and/or omissions

that would not be prevented and/or detected in the normal course of business, and/or (3) if the County is not able to reasonably determine whether the Contractor reported and paid the correct amount due to the County under this contract, then the County will assess penalties specified in this section upon the Contractor.

9.37.5 The parties hereby agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to meet the requirements of this section of the contract, and that a reasonable estimate of such damages shall range from (1) \$200 to \$500 and/or 10% to 20% of the total gross receipts for the period of time that the County determines the Contractor did not meet the requirements under this section of the contract, and/or (2) termination of this contract, determined at the sole discretion of the County.

9.37.6 In the event the County hires an Independent Certified Public Accounting firm (CPA) to perform an audit of the Contractor's gross receipts and/or payments to the County, and if the CPA concludes that, due to inadequate records maintained by the Contractor, the CPA is unable to issue an unqualified opinion as to gross receipts for the Contractor, the CPA may employ alternative methods to impute rent for the period of inadequate records and calculate rent due. The CPA (or the Count) may use the Contractor's gross receipts last audited (in which an unqualified audit opinion was expressed), inflated by the Consumer Price Index for All Urban Consumers for the Los Angeles, Riverside, and Orange County areas. Interest/late fees may also be separately applied. In addition, the County may require the Contractor to pay for the cost of the CPA's audit.

9.37.7 In the event the County and/or a CPA firm concludes that the Contractor under-reported Gross Receipts to the County, and that under-reporting is equal to or greater than 5% of the current

or previous year's Gross Receipts reported by the Contractor, as determined at the sole discretion of the County, the Contractor shall pay for the cost of the CPA's audit and/or the County's review (including County costs associated with the CPA's audit, such as monitoring the audit, etc.).

9.37.8 Contractor shall at all times during contract period and for five (5) years after the termination/expiration of the contract, keep, or cause to be kept, locally, to the reasonable satisfaction of the County true, accurate, and complete records for all accounting years covered by this contract. Records will show all transactions relative to the conduct of operations, and be supported by data of original entry. Records shall detail transactions conducted on or from the premises separate and apart from those in connection with Contractor's other business operations, if any.

9.37.9 All sales and/or services shall be recorded by cash registers or computers which automatically issue a customer's receipt or certify the amount in a sales slip. Cash registers shall have locked in sales totals and transaction counters that constantly accumulate and cannot be reset, and issue a tape (or other equivalent security mechanism) that imprints sequential transaction numbers and sales details. Beginning and ending cash register readings shall be made a matter of daily record. Signs shall be visibly posted near all cash registers requesting the payer to ask the cashier for a receipt and, if possible, the sign should include a sample of the appropriate receipt.

9.37.10 In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including, certain records related to non-County contracts) to enable the County to evaluate the Contractor's compliance with the County's Living Wage

Program, that the Contractor shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Contract, including without limitation, records relating to work performed by said employees on the Contractor's non-County contracts. The Contractor further acknowledges that the foregoing requirement in this Subparagraph relative to the Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County in its discretion to verify the Contractor's full compliance with and adherence to California labor laws and the County's Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

9.38 RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

9.39 REMEDIES/LIQUIDATED DAMAGES

9.39.1 If, in the judgment of the Director, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Director, at his option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. The work not performed and the amount to be withheld or deducted from payments to the Contractor from the County, will be forwarded to the Contractor by the Director in a written notice describing the reasons for said action.

9.39.2 If the Director determines that there are deficiencies in the performance of this contract that the Director deems are correctable by the Contractor over a certain time span, the Director will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the Director may: (a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the said specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is 3% of the monthly maintenance amount or One Hundred Dollars (\$100) per day, whichever is greater and that the Contractor shall be liable to the County for liquidated damages in said amount. Said amount shall be

deducted from the County's payment to the Contractor; and/or upon giving five (5) days notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by completion of the work by an alternate source, whether it be County forces or a separate private contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County. The action above shall not be construed as a penalty but as an adjustment of payment to the Contractor to recover County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

- 9.39.3 In addition to the remedies provided heretofore, this Contract may be terminated per **Paragraph 9.45**, Termination for Default, of the Contract upon the Contractor's failure to correct deficiencies in a timely manner.
- 9.39.4 Contractor shall repair or replace damages according to the maintenance practices as identified in **Paragraph 9.17**, Damage to County Facilities, Buildings or Grounds.
- 9.39.5 This Subparagraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in **Subparagraph 9.39.2** above, and shall not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

9.40 RIGHT OF ENTRY

- 9.40.1 In the event this Contract is suspended or terminated in whole or in part, by the Board of Supervisors, the Board of Supervisors may instruct the Director to assume the responsibility of said Contract, employ the necessary workers, purchase materials and supplies as may be necessary for the proper performance of the work contracted. For the purpose of satisfying and/or mitigating damages arising from a breach of this Contract, any excess costs

as determined by the Director, arising therefrom over and above the compensation set forth within this Contract, may be charged against the Contractor.

9.40.2 In the event of such suspension or termination, all moneys due to Contractor or retained as security under the terms of this Contract shall be retained by the County; but such retention will not release the Contractor from liability for failure to perform under the terms of this Contract.

9.40.3 If in the sole discretion or judgment of the Director, and in accordance with **Paragraph** 9.39, Remedies/Liquidated Damages, of this Contract, the Contractor and/or its employee(s) are not properly performing the services required under this Contract, then the Contractor and/or all of its employees may be temporarily replaced by County personnel and payment to be made by the County may be suspended while the matter is being investigated. In addition, the total cost as determined by the Director, incurred by County personnel shall be deducted and forfeited from the monthly payment to the Contractor from the County.

9.41 SUBCONTRACTING

9.41.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance written approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.

9.41.1 If the Contractor desires to subcontract, the Contractor shall provide the following information along with its written request to subcontractor promptly at the County's request:

- a. A description of the work to be performed by the subcontractor;
- b. A draft copy of the proposed subcontract; and

- c. Other pertinent information and/or certifications requested by the County.
 - d. The Contractor shall ensure delivery of all such documents to the Department at the address provided in **Paragraph 9.32, Notices**, before any subcontractor employee may perform any work hereunder.
- 9.41.2 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
- 9.41.3 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its subcontractors of this County right.
- 9.41.5 The Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees.
- 9.41.4 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 9.41.5 In the event Director should consent to subcontracting:
- a. each and all of the provisions of this Contract and any amendment thereto shall extend to and be binding upon and inure to the benefit of the successors or administrators of the respective parties; and
 - b. the Contractor shall include in all subcontracts the following provision: "This Contract is a subcontract under the terms and conditions of a prime contract with the County of Los Angeles.

All representations and warranties shall inure to the benefit of the County of Los Angeles."

9.41.8 The Contractor shall obtain all Certificates of Insurance, which establish that the Subcontractor maintains all the programs of insurance required by the County, from each approved Subcontractor.

9.41.9 The Contractor shall indemnify, defend, and hold harmless County from any and all liability arising or resulting from the employment of any subcontractors and their employees in the same manner as for the Contractor's own employees.

9.42 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTIONS PROGRAM

Failure of Contractor to maintain compliance with the requirements set for in **Paragraph 9.15** "Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program" shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provisions of this contract, failure of contractor to cure such default within 10 days of notice shall be grounds upon which county may terminate this contract and/or pursue debarment of Contractor, pursuant to County code chapter 2.206.

9.43 GREEN INITIATIVES

Contractor shall use reasonable efforts to initiate "green" practices for environmental and energy conservation benefits. Contractor shall purchase, store, and use environmentally and human friendly products that are compatible with products used by County. County shall determine and approve Contractor's products prior to their use.

9.44 TERMINATION FOR CONVENIENCE

9.44.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole

discretion, to be in its best interest. Termination of work hereunder shall be effected by delivery to the Contractor of a Notice of Termination specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

9.44.2 After receipt of a Notice of Termination and except as otherwise directed by the County, the Contractor shall:

- a. Stop work under this Contract on the date and to the extent specified in such notice, and
- b. Complete performance of such part of the work as shall not have been terminated by such notice.

9.44.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with **Paragraph 9.37**, Record Retention AND Inspection/Audit Settlement.

9.45 TERMINATION FOR DEFAULT

9.45.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, in the following circumstances:

- a. The Contractor has materially breached this Contract;
- b. The Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required under this Contract;
- c. The Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

- 9.45.2 Upon the occurrence of **Subparagraph 9.45.1**, this Contract shall be subject to termination. As a condition precedent thereto, the Director shall give the Contractor a minimum of three (3) days notice by registered or certified mail or personal service of the date set for termination thereof; the grounds therefor; and that an opportunity to be heard thereon will be afforded on or before said termination date, if request is made therefor.
- 9.45.3 Notwithstanding the above, the Director, in his/her sole discretion, may refrain from recommending immediate termination of this Contract for default if the Director, in his/her sole discretion, determines that the default is capable of being cured and (1) the Contractor cures its default within a five (5) day period after notice is given, or (2) if the default cannot reasonably be cured within the five (5) days after notice is given, the Contractor reasonably commences to cure its default within the five (5) day period and diligently and in good faith continues to cure the default. If the Contractor fails to cure the default to the Director's satisfaction, the Director shall recommend termination for default to the Board of Supervisors.
- 9.45.4 In the event that the County terminates this Contract in whole or in part as provided in this section, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. Any excess costs, as determined by the Director, arising therefrom over and above the contract sum may be charged against the Contractor. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this Subparagraph.
- 9.45.5 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in **Subparagraph 9.45.4** if its failure to perform this Contract arises out of causes beyond the control and without the fault or

negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of a public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this **Subparagraph 9.45.5**, the term “subcontractor” and “subcontractors” mean subcontractor(s) at any tier.

- 9.45.6 In the event the County terminates this Contract in its entirety due to the Contractor’s default as provided in **Subparagraph 9.45.1**, the Contractor and the County agree that the County will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, the County’s costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the Contractor and the County agree that the County shall, at its sole option and in lieu of the provisions of **Subparagraph 9.45.2**, be entitled to liquidated damages from the Contractor, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five percent (5%) of the applicable year’s Contract sum, whichever is less, as equitable compensation to the County for such actual damages. This amount of liquidated damages shall be either paid by the Contractor to the County by cash payment upon demand or, at the sole discretion of the

Director, or designee, deducted from any amounts due to the Contractor by the County, whether under this Contract or otherwise.

- These liquidated damages shall be in addition to any credits, which the County is otherwise entitled to under this Contract, and the Contractor's payment of these liquidated damages shall not in any way change, or affect the provisions of **Paragraph 9.23, Indemnification.**

9.45.7 In the event that, following service of the Notice of Termination of this Contract under the provisions of this **Paragraph 9.45**, it is determined for any reason that the Contractor was not in default under the provisions of this **Paragraph 9.45**, that the default was excusable under provisions of this **Paragraph 9.45**, or Contractor has, to the satisfaction of the Director, cured any default, the Director shall issue, within five (5) business days, a rescission of the Notice of Termination, and the rights and obligations of the parties shall be the same as if the Notice of Termination had not been issued.

9.45.8 The rights and remedies of the County provided in this **Paragraph 9.45** shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

9.46 TERMINATION FOR IMPROPER CONSIDERATION

9.46.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the

County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

- 9.46.1 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 9.46.2 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

9.47 TERMINATION FOR INSOLVENCY

- 9.47.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:
 - a. Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
 - b. The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
 - c. The appointment of a Receiver or Trustee for the Contractor; or
 - d. The execution by the Contractor of a general assignment for the benefit of creditors.
- 9.47.2 The rights and remedies of the County provided in this **Paragraph 9.47** shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

9.48 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

9.49 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

9.50 TERMINATION UPON TRANSFER OF TITLE, MAINTENANCE RESPONSIBILITY OR PARK CLOSURE

Notwithstanding any other provision of this Contract, the County reserves the right to transfer title, maintenance responsibility or close one or more of the facilities described in **Section 2.0**, "Facilities to be Maintained" of the Statement of Work, **Exhibit B** to this Contract (hereinafter, "Facilities to be Maintained").

9.50.1 In the event the County transfers title of the facilities described in Facilities to be Maintained, to a governmental agency (assignee), the County reserves the right to:

- 9.50.1.1 Terminate this Contract or, provided there is consent by an assignee, assign the County's interest in this Contract to said assignee. The County shall provide the Contractor with notice of termination or assignment of this Contract pursuant to this provision; or
- 9.50.1.2 Delete the transferred facility(ies) from the Contract or, provided there is consent by an assignee, assign the portion(s) of the Contract dealing with the transferred facility(ies) to said assignee and reduce the Contract sum pro tanto. The County shall provide the Contractor with notice of deletion or assignment of said facility(ies) pursuant to this provision from this Contract.
- 9.50.2 In the event that the County transfers maintenance responsibility for all or a portion(s) of the facility described in "Facilities to be Maintained", the County reserves the right to:
 - 9.50.2.1 Terminate this Contract or, provided there is consent by an assignee, assign the County's interest in this Contract to said assignee. The County shall provide the Contractor with notice of termination or assignment of this Contract pursuant to this provision; or
 - 9.50.2.2 Delete the transferred portion(s) of the facility from the Contract or, provided there is consent by an assignee, assign the portion(s) of the Contract dealing with the transferred portion(s) of the facility to said assignee and reduce the Contract sum pro tanto. The County shall provide the Contractor with notice of deletion or assignment of said portion(s) of facility pursuant to this provision from this Contract.
- 9.50.3 In the event the County closes all or a portion of the facilities described in "Facilities to be Maintained", the County reserves the right to:

- 9.50.3.1 Terminate this Contract upon the effective date of such closure(s). Upon the effective date of park closure(s), the Contractor shall immediately cease its operations, and within fifteen (15) days thereafter remove all items of its personal property, equipment and inventory. The County shall provide advance notice to the Contractor of such park closure(s); or
- 9.50.3.2 Delete the portion(s) to be closed from the Contract and reduce the Contract sum pro tanto. Upon the effective date of park closure(s), the Contractor shall immediately cease its operations at said facility and within fifteen (15) days thereafter remove all items of its personal property, equipment and inventory. The County shall provide advance notice to the Contractor of such park closure(s).

9.51 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

9.52 WAIVER

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this **Paragraph 9.52** shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

9.53 WARRANTY AGAINST CONTINGENT FEES

- 9.53.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.
- 9.53.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

9.54 CONTRACTOR PERFORMANCE

The County maintains databases that track/monitor contractor performance history. Information entered into such databases may be used for a variety of purposes, including determining whether the County will exercise a contract term extension option.

9.55 FORCE MAJEURE

- 9.55.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this Subparagraph as "force majeure events").
- 9.55.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless

such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this Subparagraph, the term “subcontractor” and “subcontractors” mean subcontractors at any tier.

9.55.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

9.56 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in **Paragraph 9.15** "Warranty of Compliance with County's Defaulted Property Tax Reduction Program" shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

10.0 UNIQUE TERMS AND CONDITIONS

10.1 COMPLIANCE WITH THE COUNTY'S LIVING WAGE PROGRAM

10.1.1 LIVING WAGE PROGRAM

This Contract is subject to the provisions of the County's ordinance entitled Living Wage Program as codified in Sections

2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached as **Exhibit J** and incorporated by reference into and made a part of this Contract.

10.1,2 PAYMENT OF LIVING WAGE RATES

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that the Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), the Contractor shall pay its employees no less than the applicable hourly living wage rate, as set forth immediately below, for the employees' services provided to the County, including, without limitation, "Travel Time" as defined below in Subsection 5 of this **Subparagraph 10.1.2**, under the Contract:
 - a. Not less than \$11.84 per hour if, in addition to the per-hour wage, the Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or
 - b. Not less than \$9.64 per hour if, in addition to the per-hour wage, the Contractor contributes at least \$2.20 per hour towards the provision of bona fide health care benefits for its employees and any dependents. The Contractor will be deemed to have contributed \$2.20 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during the Contract, the Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits, the Contractor shall be required to pay its Employees the higher hourly living wage rate.

2. For purposes of this Subparagraph, “Contractor” includes any subcontractor engaged by the Contractor to perform services for the County under the Contract. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall be subject to the provisions of this Subparagraph. The provisions of this Subparagraph shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. “Employee” means any individual, who is an employee of the Contractor under the laws of California, and who is providing full-time services to the Contractor, some or all of which are provided to the County under the Contract. “Full-time” means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.
3. If the Contractor is required to pay a living wage when the Contract commences, the Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.
4. If the Contractor is not required to pay a living wage when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its “exemption status” from the living wage requirement. The Contractor shall immediately notify the County if the Contractor at any time either comes within the Living Wage Program’s definition of “Employer” or if the Contractor no longer qualifies for an exception to the Living Wage Program. In either event, the Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option

period. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that the Contractor continues to qualify for an exception to the Living Wage Program. Unless the Contractor satisfies this requirement within the time frame permitted by the County, the Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

5. For purposes of the Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) With respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time; and 2) With respect to travel by an Employee between County facilities that are subject to two different contracts between the Contractor and the County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time.

10.1.3 CONTRACTOR'S SUBMITTAL OF CERTIFIED MONITORING REPORTS

The Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of the Contractor's Employees

during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of the Contractor's current health care benefits plan, and the Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the County as **Exhibit K** and **Exhibit L** hereto, or other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, the Contractor shall promptly provide such information. The Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

10.1.4 CONTRACTOR'S ONGOING OBLIGATION TO REPORT LABOR LAW/PAYROLL VIOLATIONS AND CLAIMS

During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's contract with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's operations in California.

10.1.5 COUNTY AUDITING OF CONTRACTOR RECORDS

Upon a minimum of twenty-four (24) hours' written notice, the County may audit, at the Contractor's place of business, any of the Contractor's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The Contractor is required to maintain all such records in California until the expiration of five (5) years from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

10.1.6 NOTIFICATIONS TO CONTRACTOR AND EMPLOYEES

The Contractor shall place County-provided living wage posters at each of the Contractor's places of business and locations where the Contractor's employees are working. The Contractor shall also distribute County-provided notices to each of its employees at least once per year. The Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of Contractor employees.

10.1.7 ENFORCEMENT AND REMEDIES

If the Contractor fails to comply with the requirements of this Subparagraph, the County shall have the rights and remedies described in this Subparagraph in addition to any rights and remedies provided by law or equity.

1. Remedies For Submission of Late or Incomplete Certified Monitoring Reports. If the Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

- a. Withholding of Payment. If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until the Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
- b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.
- c. Termination. The Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of

the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

2. Remedies for Payment of Less Than the Required Living Wage. If the Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights or remedies:

- a. Withholding Payment. If the Contractor fails to pay one or more of its employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the Contractor the aggregate difference between the living wage amounts the Contractor was required to pay its employees for a given pay period and the amount actually paid to the employees for that pay period. The County may withhold said amount until the Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
- b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to pay any of its employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, it is agreed that the County may, in its sole

discretion, assess against the Contractor liquidated damages of \$50 per Contractor's employee per day for each and every instance of an underpayment to Contractor's employee. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

- c. Termination. The Contractor's continued failure to pay any of its employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

10.1.8 USE OF FULL-TIME EMPLOYEES

The Contractor shall assign and use full-time employees of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. 10.1.9 CONTRACTOR RETALIATION PROHIBITED

The Contractor and/or its employees shall not take any adverse action which would result in the loss of any benefit of

employment, any contract benefit, or any statutory benefit for any employee, person or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this Subparagraph may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

10.1.10 CONTRACTOR STANDARDS

During the term of the Contract, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. 3. The Contractor shall not terminate a retention employee for the first 90 days of employment under the contract, except for cause. Thereafter, the Contractor may retain a retention employee on the same terms and conditions as the Contractor's other employees.

10.1.12 NEUTRALITY IN LABOR RELATIONS

The Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining Contract, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

10.2 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PREFERENCE PROGRAM

- 10.2.1 This Contract is subject to the provisions of the County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.

- 10.2.3 The Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report,

10.2.4 If the Contractor has obtained County certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which the Contractor knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which the Contractor would not otherwise have been entitled, shall:

1. Pay to the County any difference between the Contract amount and what the County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of the Contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply if the Contractor is no longer eligible for certification as a result of a change in their status and the Contractor failed to notify the State and the County's Internal Services Department of this information.

10.3 COMPLIANCE WITH THE COUNTY'S SMOKING BAN ORDINANCE

This agreement is subject to the provisions of the County's ordinance entitled Los Angeles County Code Title 17, Parks, Beach, and Other Public Places, prohibiting smoking at County parks ("Smoking Ban Ordinance") as codified in Section 17.04.185 through 17.04.650 of the Los

Angeles County Code, a copy of which is attached as **Exhibit P** and incorporated by reference into and made a part of this agreement.

10.4 TRANSITIONAL JOB OPPORTUNITIES PREFERENCE PROGRAM

10.4.1 This Contract is subject to the provisions of the County's ordinance entitled Transitional Job Opportunities Preference Program, as codified in Chapter 2.205 of the Los Angeles County Code.

10.4.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Transitional Job Opportunity vendor. Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Transitional Job Opportunity vendor.

10.4.3 If Contractor has obtained County certification as a Transitional Job Opportunity vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract; and

3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

10.4.4 The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the certifying department of this information prior to responding to a solicitation or accepting a contract award.

- d. Give the skinned areas a finished surface with a drag mat. Said drag, similar to a metal foot scraper constructed of heavy interwoven metal

squares, is used to provide a finished surface. If a vehicle is used to tow the drag mat, make sure that the speed is slow enough to prevent the surface material from being thrown into the outfield grass or out of the skinned areas. Particular care shall be given to the transition zone between grass and skinned area surface so that it is smooth.

- g. As the field dries, clean and wash down dugouts, bleachers, concrete pads, and walks around the diamond. Make sure that the runoff from this operation does not create hazardous or unplayable conditions in the area.
- h. Make sure that the base pegs, pitching rubber, quick couplers, valve box covers and sprinkler heads are visible.

- c. A smooth line shall be kept between the turf grass and skinned portion of the ball field by either mechanically edging or chemical application.
- d. Seasonally excessively wet diamonds may require the working of the skinned area until it is dry enough to prepare for play. Acceptable techniques shall be utilized to provide a playable diamond. If rain has stopped, and water is standing on the diamonds, Contractor shall broom, squeegee, absorb or otherwise remove standing water from the skinned portion of the diamond to help dry it for play.
- e. A soil sterilant or herbicide shall be applied under all fencing that does not have concrete mow strips.

Section C - Quality Control Plan

To assure that FAR EAST LANDSCAPE & MAINTENANCE maintains your facility to your specifications, an ongoing quality control plan has been established as outlined below:

24-Hour Dispatch Service

We have our crews check in at each job location so that we can have our dispatch personnel keep our Field Supervisors informed as to when the crews are at the job site. This serves as two purposes: first, it enables us to be sure that the crews are on the job, and if not, to get coverage. Second, it enables the Field Supervisors to utilize their time more efficiently in communication directly with the crews when needed. Our Field Supervisors check regularly on the performance of our crews. They use the Supervisor's Activity Report, which is turned in daily to our Quality Control Representative.

Quality Control Representative

Our Quality Control Plan Representative, Jose Maya, inspects our accounts on a regular basis using our Weekly Inspection Report (copy attached). He has twenty-two years of experience in the landscape and maintenance industry, and has a great understanding for plant life. He rates the quality of the service at each account regularly and reports directly to our Field Manager to assure that we maintain a high standard of service. If at anytime he finds that the quality of service is not at par, he immediately contacts the President, from where they consult each other to take corrective action.

Both our Quality Control Representative and our President will be available to meet with your Representative for an inspection of the facilities, as required.

We have a 24-hour, seven days a week on-call staff all equipped with company cell phones, and dispatch systems in each of the company's vehicles. Our President, our Quality Control Representative and two of our Field Supervisors all have instant communication at all times. Our foremen are required to carry company cellular phones at work and at home. In this way we can have instant communication with all of our key personnel, should a problem or emergency arise.

Notice 1015

(Rev. December 2010)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2010 are less than \$48,362 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2011.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2010 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2010 and owes no tax but is eligible for a credit of \$829, he or she must file a 2010 tax return to get the \$829 refund.

Can My Employees Get Advance EIC Payments?

After 2010, your employees can no longer get advance payments of the credit in their pay during the year as they could in 2010 and earlier years, because the law changed. However, if they are eligible, they will still be able to claim the credit on their 2011 return.

Form W-5, Earned Income Credit Advance Payment Certificate, is no longer in use.

Title 2 Administration
Chapter 2.203 Contractor Employee Jury Service

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

Title 2 ADMINISTRATION
Chapter 2.206 DEFAULTED PROPERTY TAX REDUCTION PROGRAM

2.206.010 Findings and Declarations.

The Board of Supervisors finds that significant revenues are lost each year as a result of taxpayers who fail to pay their tax obligations on time. The delinquencies impose an economic burden upon the County and its taxpayers. Therefore, the Board of Supervisors establishes the goal of ensuring that individuals and businesses that benefit financially from contracts with the County fulfill their property tax obligation. (Ord. No. 2009-0026 § 1 (part), 2009.)

2.206.020 Definitions.

The following definitions shall be applicable to this chapter:

- A. "Contractor" shall mean any person, firm, corporation, partnership, or combination thereof, which submits a bid or proposal or enters into a contract or agreement with the County.
- B. "County" shall mean the county of Los Angeles or any public entities for which the Board of Supervisors is the governing body.
- C. "County Property Taxes" shall mean any property tax obligation on the County's secured or unsecured roll; except for tax obligations on the secured roll with respect to property held by a Contractor in a trust or fiduciary capacity or otherwise not beneficially owned by the Contractor.
